Sir,

During my inspection of the Sri Ramadevaru temple at Bannur in the T. Narsipur Taluk on the 31st Dec. last, I observed that the south-east corner wall of the temple building had cracked and required immediate repairs. I am directed to request the submission of an estimate therefor at a very early date.

2. It was represented to me that a well might be dug in the temple compound for the use of the temple. As the temple is understood to have only Rs 200/- as savings, and as the cost of

the response received this from I has the facts next out of this source, I am to state that the representation cannot be founded, and to request that the people may be informed accordingly
